This contract is between *Kennel Name* (Hereafter "Seller") and

_____ (Hereafter "Buyer") and is entered on this date: _____.

Pertaining to:

Puppy Identifier: _____ Born on: _____

Sire Name: _____ Dame Name: _____

Seller's Responsibility:

1. The Seller guarantees the puppy is in good health, is up-to-date on immunizations appropriate for the puppy's age and has been dewormed, at the time the Buyer takes possession. The Buyer has **three business days** to take the puppy to a veterinarian for an examination. If the puppy is found to be in poor health the Buyer has the option of returning the puppy to the Seller, at Buyer's cost, for a full refund, or keeping the puppy, and the Seller will reimburse for all veterinary costs, up to the purchase price, related to treatment of any pre-existing condition. If the puppy is not taken to a licensed veterinarian within the three business days, the Healthy Warranty is void.
2. The Seller provides this warranty for two years after the date of sale against any debilitating congenital defects. In the event the puppy exhibits symptoms of a suspected debilitating congenital defect, the Buyer must supply any requested veterinary records to the Seller.
3. This warranty does not include viral illnesses, infections, improper bites, hernias, hypoglycemia, Giardia or Coccidiosis. It also does not include any illness due to the ingestion of foreign objects, food, chemicals or physical injury.
4. If it is determined the puppy does have a genetic disorder that is identified within two years of purchase, the Buyer has the option of either a replacement puppy from the next available litter or reimbursement, up to the purchase price of the puppy, of all veterinary expenses related to the illness. Your puppy need not be returned to us. Shipping fees will not be refunded, and if it becomes necessary to ship a replacement puppy, those fees are to be paid by the Buyer.
5. If the puppy should die from a suspected congenital defect within the 24 months of its date of purchase, an autopsy must be performed at the purchaser's expense by a veterinary teaching hospital or state licensed DVM acceptable to the Seller's own veterinarian. If the autopsy shows a congenital defect as the reason for the death, the Seller will provide another puppy of equal value to the purchaser. A written statement from the veterinarian must be provided. This warranty is void in the event of an indeterminable or inconclusive diagnosis.
6. Seller agrees to provide a pedigree and number of the microchip that has been implanted in the puppy, if applicable.
7. No warranties or guarantees, expressed or implied, are made under its contract except as stated.
8. This warranty is non-transferable.

5. The Buyer agrees to make and keep annual veterinary appointments for their Labradoodle or Goldendoodle, keep all immunizations current according to the guidelines of the AVMA and properly administer heartworm preventative.
6. The Buyer agrees to provide basic obedience training with their Labradoodle or Goldendoodle puppy within the first year of owning their dog.
7. The Buyer agrees to postpone strenuous, repetitive exercise until after their Labradoodle or Goldendoodle is over one year of age.
8. The Buyer agrees to spay or neuter their puppy before or during the seventh month of age.
9. The Buyer agrees to contact the Seller immediately if the Buyer determines they are unable to keep their Labradoodle or Goldendoodle for any reason. The Buyer and Seller will determine how the dog will be rehomed.
